

Motion nr. ...Version 2..... (to be filled by the EFA staff)

Name of the person introducing the motion: Mrs. Corlienke de Jong

On behalf of the party: Fryske Nasjonale Partij

**Motion:** Biodiversity in the new CAP and a fair income for farmers

*Taking notice of the proposals of the European Commission regarding the new Common Agricultural Policy (CAP),*

*Taking into account the report on biodiversity of MEP Demesmaeker from 2014;*

*Taking into account the report of the EU Agricultural Markets Taskforce from 2016;*

*Considering that a balanced and responsible agricultural development is in the interest of farmers, citizens and consumers,*

*Considering that farmers are important producers of both food, biodiversity and landscape,*

*Considering that farmers especially farm in areas the EFA advocates for,*

*Considering that a vibrant countryside and a vivid regional culture is connected with an economically and ecologically healthy environment,*

The European Free Alliance Declares that the new CAP:

- *Should stimulate farmers to integrate biodiversity in their way of farming in the next period;*
- *Should make farmers able to earn a better and fair income from their products;*
- *Will not subsidise genetic manipulation.*
